

Hochlastzeitfenster 2022 gem. § 19 Abs. 2 S.1 StromNEV

Gemäß § 19 Abs.2 S. 1 StromNEV ist die Stadtwerke Hagenow GmbH verpflichtet, einem Letztverbraucher in Abweichung von § 16 StromNEV ein individuelles Netzentgelt anzubieten, wenn auf Grund vorliegender oder prognostizierter Verbrauchsdaten oder auf Grund technischer oder vertraglicher Gegebenheiten offensichtlich ist, dass der Höchstlastbeitrag eines Letztverbrauchers vorhersehbar erheblich von der zeitgleichen Jahreshöchstlast aller Entnahmen dieser Netz- oder Umspannungsebene abweicht. Für Letztverbraucher, die einen Vertrag mit der Stadtwerke Hagenow GmbH über ein individuelles Netzentgelt nach § 19 Abs. 2 S. 1 abgeschlossen haben und dieses abschließend von der Bundesnetzagentur genehmigt wurde, kommt die Jahreshöchstlast, die innerhalb der Hochlastfenster auftritt, zur Abrechnung.

Auf Basis des Referenzzeitraumes 01.09.2020 bis 31.08.2021 ergeben sich nach den Vorgaben des Leitfadens der Bundesnetzagentur vom Oktober 2010 für 2022 folgende Hochlastzeitfenster:
